- Strong relationships with parents are crucial to academic progress and students' general welfare.

CORE PURPOSE

Beckfoot Oakbank learners celebrate diversity, love learning and are inspired to be self-confident, open minded, decisive young adults who have the skills and experience to succeed in life.

Our strategic priorities are that:

- Leadership development ensures all students and staff see themselves as leaders of their own and others' learning.
- Great teaching ensures students enjoy the challenge of learning in all their lessons and develop the skills and knowledge to succeed.
- Every piece of work, including each exercise book, exudes a sense of pride demonstrating that progress has been made.
- Assessment accurately identifies students' skills and knowledge so that each student knows exactly how to improve.
- All successes are recognised and rewarded; as a result, students want and expect to succeed.
- By the end of Year 8, all students have the necessary skills to succeed, particularly in English and maths.
- Curriculum pathways inspire students and help them achieve.
