

Develop student leaders who in partnership with staff will inspire, listen, challenge and implement the views of all students to help improve Beckfoot Oakbank.

“Let us, help you, make us successful”.

“Do you feel it is important for all students to have a say in how to improve and run Beckfoot Oakbank”?

Beckfoot Oakbank’s Pupil Parliament asked this one simple question to every student in school. The answer they received back was an overwhelming **yes**.

At Beckfoot Oakbank we have listened to our students and want to enable as many of them as possible to become Student Leaders. Student Leadership is about any student in any classroom in any year, having a voice that should be heard in school. Student Leadership will allow our students to share who they are, what they believe, and what they believe is the best for their entire school, and lead these changes. At Beckfoot Oakbank we care about what the students think and take time to listen to their views.

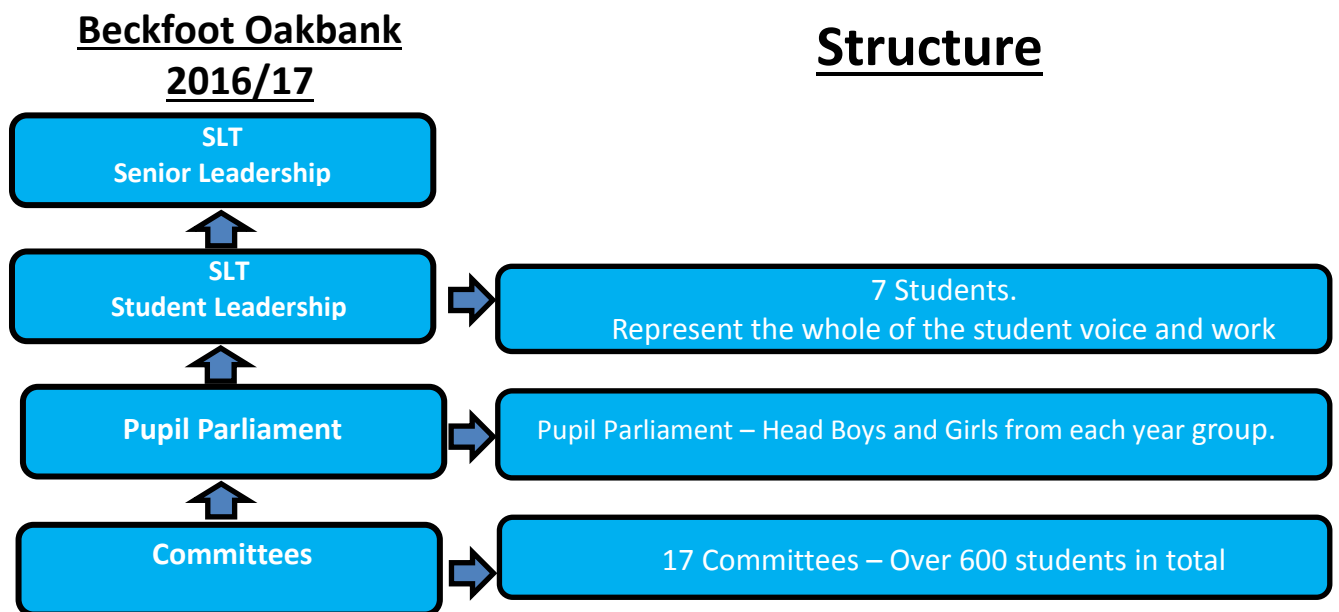

Our aim to provide every student an opportunity to take a leadership role at Beckfoot Oakbank. It is compulsory for all Year 7 and 12 students to become a Student Leader, and by 2021/22 every student will have been a Student Leader.

Listening to our students needs and providing them all with the opportunity to become a Student Leader is a key part of our schools improvement plan. In connection with Pupil Parliament and staff leaders, we have developed a student leadership structure, where students involved can have their voice heard in an area of school that they feel passionate about.

- The structure outlined below consists of 17 new committees providing students with the opportunity to become a Student Leader and have their own voice heard.
- All Year 7 and 12 students will all become a student leader at the start of each academic year with the aim of giving every student the opportunity to be a student leader by 2021/22

Student Leadership

Student Leadership

Targets

2016	2017	2018
300 Student Leaders	500 Student Leaders	700 Student Leaders
302 Appointed	600 Appointed
