What could we improve about the student planner?

- Make the planner ring bound
- Make the planner bigger and divide the sections up more
- Make sure the student name is on the front
- Provide more space for parental comments
- Provide more space for students to write up notes and homework
- Teachers/staff to write positive comments and updates in the planner more often
- Expand and improve online communication
- The planner should have a whiteboard page that will be useful in lessons and encourage students to use it
- Have clear set days that are communicated to parents when the planner needs to be checked and signed.

Thank you to all parents/carers who took part in our Student Planner survey, with over 170 responses you have provided us with many ideas. We have also surveyed our students and staff.

Our aim to create a highly effective Student Planner for the start of the 2018/19 academic year. We will update all parents and carers of exactly the actions we take to improve the Student Planner shortly.

N.B The new “Get Involved” section on our website will continue to be used frequently as we look to improve our parental engagement.
